

All-Pro HVAC & Plumbing 2024 Scholarship

This scholarship is for students who are pursuing higher education or training in the trades, engineering, architecture, project management, construction, or other trade-specific schools. All completed applications will be considered.

Directions: Complete this form and attach a written essay to be considered for this scholarship. Please include 1 signed letter of recommendation. This might be from a teacher, coach, employer, faith leader, etc.

Deadline: This application form and all other required materials must be turned into Mr. Garrison by May 1, 2024 either in hard copy or via email. If you have any questions, please contact Miles Cantrall at 1allprohvac@gmail.com.

Eligibility: Students must meet these criteria to be eligible. Please initial.

1. _____ I confirm that I am a senior at Tuscola High School and will be graduating in May of 2024 or graduated in December 2023.
2. _____ I will be attending community college, technical school, trade school, 4-year institution, or an apprenticeship after graduation.
3. _____ I will be pursuing higher education in one of the following fields: trades or crafts (plumbing, pipefitting, electrician, carpenter, etc.), engineering, architecture, project management, surveying, construction, or other trades.

Name:

(First) (Middle) (Last)

Address:

(Street) (City) (Zip code)

(Phone Number) (e-mail address)

Please list the higher education institution, technical or trade school, or apprenticeship program you will be attending. If you are awarded this scholarship you will need to provide proof of enrollment to receive the funds.

(Institution name) (Intended area of study) (Estimated length of program)

(Address of Institution) (City) (State) (Zip code)

***Please type or write legibly any extracurricular activities, work/internship experience, academic awards, service projects, and any experience you have relating to your future area of study. Include the number of service hours or the years in school in which you have participated in each activity. You may attach a separate sheet of paper for this section:**

***Please briefly explain in 2-3 sentences why you have chosen your particular area of study.**

Essay: Please type your response or write legibly on a separate sheet of paper. Maximum 500 words. This is the most important part of the application, so your content is what matters. There are no right or wrong answers.

Why do you think it is important that we keep career and technical education classes (welding, mechanical classes, etc.) in schools? How did those classes impact your education?

***Finally, please include 1 signed letter of recommendation. The letter should describe your character and initiative taken inside and outside of the classroom. It can be from a teacher, coach, employer, etc. The letter cannot be from a family member.**
